

Southwestern Athletic Booster Club

Welcome to another athletic year at Southwestern Jr./Sr. High School. The objective of our organization is to instill a sense of school pride and to unite the parents, students, faculty, alumni and community in the common interest of supporting our athletes, recognizing the integral role athletics play in the education and development of our students.

In order to meet our objective, the booster club not only purchases awards for the athletes but we have also helped with various other projects in the past. The booster club has:

- purchased the new speaker system for the high school gym
- purchased the window art on the doors leading to the back hallway
- purchased the scoreboard used for the soccer field

For the Southwestern Athletic Booster Club to fund current projects and help fund some bigger projects, we need both your financial help and your time. Your membership is very important in meeting our objectives. The more input and feedback we get from you, the more we can help our student/athletes reach their goals.

Please watch our Facebook page, [Southwestern Athletic Boosters Club](#), for periodic meeting dates and information throughout the school year.

Southwestern Athletic Booster Club Membership

August 2017 – July 2018

Check # _____

Names: _____

Address: _____
