## **VI. Reports & Presentations**

### **A. Principal Reports**

Mr. Chase presented to the board that teachers have submitted an average of 46.5 items of student work. These items could be SWAG writing, technology enhanced questions, close reading, differentiation and peer observations which he was most proud of. Mr. Chase said that whenever a teacher visits another teachers room they become better teachers because they learn better ways to teach.

Mr. Edwards commented on how proud he was of the eight students that passed I-READ with perfect scores. He also thanked the Blue River Foundation Grant for the sculpture that is in front of the elementary. Mr. Edwards also praised the choir and band for the great job they did performing their concert.

### **B. Facilities/Maintenance Director Report**

Mr. Cooper told the board that the gym has leaks from the brick-mortar joints not the roof. He mentioned that he was going to have someone come next Friday to give him an estimate on sealing the bricks.

Mr. Cooper commented that the demolition process of the old wastewater treatment plant may actually be ahead of schedule depending on weather and will hopefully begin before June 1<sup>st</sup>.

Asphalt was the next topic that Mr. Cooper discussed. He told the board that he had received 3 out of 5 bids. After some further discussion it was decided that a special session would be held after Mr. Cooper received all the bids to approve the winning quote.

### **C. Superintendent Report**

Dr. Maurer presented applicable items of the 2017 legislative session update sent from Dr. Jennifer McCormick, Superintendent of Public Instruction, to the board.
